

MAHEK PATEL

Seattle, WA | +1 (206) 226-8859 | mpatel5@seattleu.edu

PROFESSIONAL SUMMARY

Driven and reliable graduate student in Data Science at Seattle University, deeply committed to supporting academic operations in higher education. With hands-on experience in **document management**, **event coordination**, and **administrative communication**, I thrive in structured, service-oriented environments. Known for handling sensitive information with care and delivering work with precision, I'm seeking to contribute meaningfully to Seattle University's **Human Resources Academic Operations** team and expand my experience in people-centered operations while continuing my studies.
